Hi Momina,

The answer for CST is none in relation to ASBI's and PSPO's specific to protests. However, Dispersal orders are a police power, and the requestor will need to contact the police for that detail.

Thanks

Maggie Higton-Brown

Subject: Information request (ref: 16044991)

**** Warning External Email ****

Dear Maggie

We've received a request for the following information:

We are interested in understanding how Public Space Protection Orders (PSPOs), Anti-Social Behaviour Injunctions (ASBIs), and Dispersal Orders (all powers set out in the Anti-social Behaviour, Crime and Policing Act 2014) have been used by your authority in relation to protest-related activity or public demonstrations between the dates of 1 October 2024 and 31 October 2025. Specifically, please provide the following information, if available, regarding such orders:

1. The number of ASBIs and Dispersal Orders issued for or enforced against protest-related or public demonstration activities from 1 October 2024 to 31 October 2025.

2. The number of PSPOs imposed or breached in respect of protest-related or public demonstration activities between 1 October 2024 and 31 October 2025.

3. The specific behaviours that justified issuing the PSPOs, ASBIs, and Dispersal Orders referred to in Q1 and Q2.

4. The prohibitions and/or requirements that were imposed by the PSPOs, ASBIs, and Dispersal Orders referred to in Q1 and Q2.

Please see the request and provide a response by **12 December 2025**.

You can comment by clicking on the link below

I believe that your service area may hold some of the information requested.

Please provide a copy of the information requested. If you do not hold some/all please let us know and suggest anyone who may hold it (if you know).

If you have any concerns about disclosing the information please let me know what those concerns are. Remember you must provide the information requested to the Link Officer so a decision can be made about applying any exemptions/exceptions

Remember if information is held in a dataset we must provide it in a re-usable format when responding by electronic means. If you have any concerns that it is not reasonably practicable to provide the information as a dataset, please let me know.

The following notes have been added:

Read our Bitesize guidance here:
