

FOI 5538748 – Number of Naloxone Kits Issues by the Council each year since 2014.

Please provide me with the number of naloxone kits issued by the council each year since 2014.

Response

Thank you for your recent FOI request, I can confirm that 361 take home Naloxone kits were issued. Unfortunately, we do not have the data for 2014 as this service had not yet been commissioned by the Council.
