

FOI reference 5697192

Subject: Spend on Pathology or Laboratory testing

1) How much did the local authority spend in each of the past three financial years on pathology testing in each of the following areas:

- Testing relating to sexually transmitted diseases

E-service pathology costs 17/18 - £2, 133.65

E-service pathology costs 18/19 - £59,534.35

- Testing related to public health issues (such as screening for latent tuberculosis)

Please note this does not fall under the remit of Public Health, therefore, no data held.

Other testing

Please note this does not fall under the remit of Public Health, therefore no data held

2) Please list the amount spent in each year with any pathology laboratories (including NHS) with which the authority spent over £25,000 in any calendar year

Information not held – about sexual health services other than the e-service, we pay for activity according to the London integrated sexual health tariff, which includes an average cost of pathology within the tariff prices, but is not separately identified.

Kind regards
