Dear Mr & Mrs Gruner

TOWN AND COUNTRY PLANNING ACT 1990

Site: 79 Gordon Road, London, N3 1ER

Complaint: Building work not to approved plans and breach of Planning Condition 3 (Materials to match) of application reference F/00089/13.

I write to you as a planning enforcement officer with the London Borough of Barnet. I am afraid that it will be necessary for me to inspect the property as part of an investigation into a possible breach of planning control

I would be grateful if you could contact me within the next 7 days to discuss convenient dates and times in the near future when it would be convenient to inspect the above premises.

You or other occupants of the property do not have to be present, unless they wish to be, provided an agent or representative is available to afford complete access to all of the property.

I trust that a suitable agreed date and time can be reached but I must draw your attention to Section 196C(2) of the above Act, which states that any person who wilfully obstructs a person acting in the exercise of right of entry shall be guilty of an offence and liable on summary conviction to a fine not exceeding £1,000.

Yours sincerely

William Docherty
