Do you intend to submit a planning obligation (a section 106 agreement or a unilateral undertaking) with this appeal? Yes No

(a) That planning permission should be granted for what is alleged in the notice.

The facts are set out in

[see 'Appeal Documents' section](#)

(b) That the breach of control alleged in the enforcement notice has not occurred as a matter of fact.

(c) That there has not been a breach of planning control (for example because permission has already been granted, or it is "permitted development").

(d) That, at the time the enforcement notice was issued, it was too late to take enforcement action against the matters stated in the notice.

(e) The notice was not properly served on everyone with an interest in the land.

(f) The steps required to comply with the requirements of the notice are excessive, and lesser steps would overcome the objections.

(g) The time given to comply with the notice is too short. Please state what you consider to be a reasonable compliance period, and why.

F. CHOICE OF PROCEDURE

There are three different procedures that the appeal could follow. Please select one.

A fee was already paid for planning application ref 19/1160/FUL. This was subsequently withdrawn on the advice of the planning office with the recommendation to reapply within one year. It was misunderstood at the time that there was one year available to reapply during which the HMO could continue. However, it is understood that there is one 'free' reapplication based on the initial application fee.
