E. GROUNDS AND FACTS

Do you intend to submit a planning obligation (a section 106 agreement or a unilateral undertaking) with this appeal?

Yes

No

(a) That planning permission should be granted for what is alleged in the notice.

(b) That the breach of control alleged in the enforcement notice has not occurred as a matter of fact.

(c) That there has not been a breach of planning control (for example because permission has already been granted, or it is "permitted development").

(d) That, at the time the enforcement notice was issued, it was too late to take enforcement action against the matters stated in the notice.

(e) The notice was not properly served on everyone with an interest in the land.

(f) The steps required to comply with the requirements of the notice are excessive, and lesser steps would overcome the objections.

The facts are set out in

the box below

The Notice requires the removal of all bath and shower facilities. The outbuilding can be used lawfully as a use incidental to the residential uses of the main building. A typical use could be a gym incidental to the residential use of the main building. And it would be reasonable for such a gym use to have shower facilities. The appellant therefore respectfully asks the Inspector to allow the provision of one shower facility.

(g) The time given to comply with the notice is too short. Please state what you consider to be a reasonable compliance period, and why.

The facts are set out in

the box below

All the tenants in the property are on assured tenancy agreements. Tenants cannot be evicted before

the expiry of their tenancy agreement and changes to section 21 of the Housing Act make it more difficult to evict tenants. Therefore, to ensure enough time is given to both evict tenants and carry out the necessary building work required by the Notice, a period of 12 months is requested.

F. CHOICE OF PROCEDURE

There are three different procedures that the appeal could follow. Please select one.

1. Written Representations

(a) Could the Inspector see the relevant parts of the appeal site sufficiently to judge the proposal from public land? Yes No

(b) Is it essential for the Inspector to enter the site to check measurements or other relevant facts? Yes No

2. Hearing

3. Inquiry

G. FEE FOR THE DEEMED PLANNING APPLICATION

1. Has the appellant applied for planning permission and paid the appropriate fee for the same development as in the enforcement notice? Yes No

2. Are there any planning reasons why a fee should not be paid for this appeal? Yes No

If no, and you have pleaded ground (a) to have the deemed planning application considered as part of your appeal, you must pay the fee shown in the explanatory note accompanying your Enforcement Notice.
