REQUEST TO SPEAK AT THE PLANNING COMMITTEE

Dear Sirs

I am writing to comment on the planning application referenced following a letter from yourselves advising me. This application and supporting documents appear to be identical to application 18/2436/HSE submitted on 20 April 2018 and withdrawn by the applicants on 7 June 2018.

I commented against the previous application as follows:

“The gates and pillars have already been installed (presumably without permission) and are unsightly and inconsistent with the rest of the houses on the road.”

As this application appears the same as the previous one my comments are the same and will continue to be the same for as long as the applicants play their game of submitting/withdrawing, resubmitting/re-withdrawing etc. I would note in

addition that as the gates and pillars were constructed without permission they are subject to a pending enforcement decision ENF/0898/18 for which the case officer is Brett Sinclair.

My daytime telephone is  and my address is 25 Ingram Avenue London NW11 6TG

Yours faithfully

Jonathan Zenios
