Hi [REDACTED]

Yes, I think that would be very helpful. I'm out of the office today and tomorrow but free on Friday from 9-11:30 and then from 13:00 onwards.

Our approach to regulating services during this period is evolving by the day but I can tell you where we are and what our direction of travel is.

Best regards,

Hi [REDACTED]

Would you be free over the next few day's to have a discussion about continuity planning for Covid-19?

It would be good to hear CQC planning and if there is any guidance from CQC to providers or flexibility in regard to expectations / CQC inspections?

I'd happily share our Business Continuity Plan.

Thanks,
