

Response Information request (ref: 7180100)

I would like to make the following request under the terms of the Freedom of Information Act:

Please note that design is at an early stage and plans that may well change for a variety of reasons before any construction might begin. They are also subject to the planning application process, at which stage they would be publicly consulted on in a final form.

At this point in the design process the following information is relevant:-

Please tell me the size and capacity of the new 'teardrop shaped' student building that is intended to be built on the old council car park, opposite the Town Hall.

- At the base of the building (the teardrop element) the length (at the longest point of the Library) is 40m
- The width of the building ground level is currently 30.5m
- The general diameter of the circular element at ground level is currently 28m
- The height of the building is currently 16.15m
- The diameter of the rotunda at the upper levels is currently (floors 1-3) is 32m stepping back to 27.7m at the upper level (4 th Floor)
- The capacity is currently 110 student accommodation rooms plus the ground floor library element (see below)

Please give me a copy of the physical dimensions of the ground floor, and the metric capacity.

As above. The teardrop currently has the following dimensions:-

- The Gross Internal Area of the Library at Ground floor is currently 657 sqm with a further 173 sqm potentially at a lower ground level (830 sqm total)
- The footprint area of the building at ground level 847sqm which includes Library, cores, circulation, storage and back of house areas.

Please give full measurements of the size of the site on which the new 'teardrop' building is going to be placed.

The teardrop building sits on the combined Parade / Carpark site which is 2200 sqm in size.

Further information

If you are interested in the data that the council holds you may wish to visit Open Barnet, the council's data portal. This brings together all our published datasets and other information of interest on one searchable database for anyone, anywhere to access. <http://open.barnet.gov.uk/>

Advice and Assistance : Direct Marketing

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link www.ico.org.uk

For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.

Your rights

If you are unhappy with the way your request for information has been handled, you can request a review within the next 40 working days by writing to the Information Management Team at: foi@barnet.gov.uk. Or by post to Information Management Team (FOI) London Borough of Barnet, 2 Bristol Avenue, Colindale, NW9 4EW

If, having exhausted our review procedure, you remain dissatisfied with the handling of your request or complaint, you will have a right to appeal to the Information Commissioner at: The Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF (telephone: 0303 123 1113; website www.ico.org.uk). There is no charge for making an appeal.
