**Subject:** RE: Barnet Council/Saracens sponsorship agreement extension

Hi [REDACTED],

We are happy to proceed with the 12 month extension so can you please arrange for an invoice to be drafted.

Could you also send some dates over to us over the next couple of weeks that would enable you and any other relevant colleagues to come across to progress plans to improve the signage and identify other joint advertising locations around the borough and use of Barnet First etc.

Many thanks
