

ENF/00867/15

104 Engel Park London NW7 2HP

Notes from site inspections for above case

Date: 27.08.2015
Description Site Inspection

Notes: Kitchen has been removed from outbuilding. I discussed the outstanding matters with the owners (height of the outbuilding and depth of the extension). Sounds as though they want to apply for retention of both.

Officer Will await an application.

Date: 13.08.2015
Description Site Inspection

Notes: Met the owner at the site. The outbuilding has not been reduced in height to match the planning permission. It does contain a bathroom and nearly a full set of kitchen facilities (no sink).

Officer
