

Schedule 33
Tenanted Market Value

Schedule 33

Tenanted Market Value

Tenanted Market Value

means in relation to each Regeneration Phase the sum to be paid by the RP for:

- (1) the Social Rented Homes to be provided by the Partner under this Agreement and the Affordable Housing Agreement;
- (2) any Intermediate Homes to be provided by the Partner under this Agreement and any other sale and purchase agreements entered into between the Partner and the RP for such Intermediate Homes;

(inclusive of VAT if any) calculated in accordance with the Affordable Price Calculator.

Affordable Price Calculator

means the spreadsheet attached
