Compliance with the Building Regulations:

This certificate, which is given in accordance with the Building Regulations, shall be considered as evidence (but not conclusive evidence) that, insofar as the authority has been able to ascertain, the works described in the certificate are in compliance with the requirements of the Building Regulations.

Notes: This certificate relates only to the work described above. This certificate does not relate to any work carried out to which the regulations did not apply on this occasion or work carried out and independently certified under a Competent Persons Scheme.
