Dear Sir or Madam,

Land at Watling Community Centre ("the Property") held pursuant to a Licence dated 28 September 2020 and made between Barnet Council ("the Landlord") and the Secretary of State for Housing, Communities and Local Government care of the Department of Health and Social Care (2) ("the Licence")

We write in reference to the Licence. We are conscious that the Licence is due to expire and that the Department for Health and Social Care would like to continue to occupy and use the property as an essential Local Testing Site for COVID-19 testing.

We would be grateful if we could agree that the existing Licence will continue in its present terms but with an extended expiry date to 01 April 2022.

If you are content to agree to the licence continuing on this basis and for this period we would be grateful if you could sign and return the enclosed duplicate of this letter as confirmation of your agreement. This letter will then constitute an extension of the licence on the terms as otherwise existing.

We look forward to hearing from you.

Yours faithfully

For and on behalf of the DHSC
