08. Week October (III) 2021 -	7980	10203	8566	10831	9776	11230
09. Week November (I) 2021 -	8268	10139	8654	11048	10508	11440
10. Week November (II) 2021 -	8211	9882	8561	10734	10350	11147
11. Week November (III) 2021 -	8215	9854	8867	9871	9966	11754
12. Week September 2022	7829	9024	8107	10803	10874	10916

NOTES: 1. Each volume survey was taken over the course of 7 days

2. Tables show full extent of surveys taken to date (October survey data expected)

3. Due to occasional faults with ATC survey equipment at the different locations, validated counts may not have been carried out during the same week period at each location; hence time periods given as month, rather than specific week.
