

Organisation	About the project	Funded Amount
Kisharon	A range of activities for adults and children affected by cost-of-living crisis. Including access to warm space, food and warm drink as well as warm clothes and blankets for those that need them.	£30,000.00
BreadnButter CIC	Community cooking classes, offering warm space, food and extra to take home for two community groups that are in need of support on Grahame Park and the North Road Estates .	£27,049.00
Give. Help. Share	This project will support children and families in the Grahame Park estate or those attending Orion Primary School. Households affected most by the cost-of-living crisis will be provided with a support package including access to warm space and food parcels.	£9,980.00
NW7Hub	Upscaling the Food & Clothes Bank and Foodbank Garden by opening an extra day during the week with activities available during weekday daytime and evenings.	£28,901.00
Colindale Communities Trust	Funding for specialised Early Intervention & Prevention Caseworker to reduce gaps in service delivery, and improving overall community health, especially for people with multiple health and social care needs, including those with mental health and learning disabilities.	£15,708.00
Meridian Wellbeing	Building upon a successful wellbeing café at the Meritage Centre, the new location will combat social isolation, improve wellbeing and relationship within community, provide information and connection, as well as organising events and activities encouraging learning, engagement and community participation.	£9,960.00
Homeless Action in Barnet	An intensive support to work with clients seeking help because of the cost-of-living crisis to prevent them from becoming homeless. The caseworker will help individuals to identify support already available in the community and help them to access it and ensure that they continue to receive the support needed to maintain their tenancy.	£40,000
Barnet Lone Parent Centre	The project will enhance and expand the existing free help with benefits and welfare service to support more lone parents.	£10,000
Somali Bravanese Welfare Association- SBWA	The project will expand SBWA benefit and housing advisory service so that they are able to support the demands of community members and as a result help them reduce stress, anxiety, and depression faced by the majority of the community and those most at risk of cost-of-living crisis.	£29,999

<p>The Romanian and Eastern European Hub</p>	<p>This project will provide support to over 300 individuals with access to services and will raise awareness of support available through outreach sessions to over 1000 individuals. The Romanian and Eastern European Hub's will tackle the cost-of-living related issues through raised awareness on ways of accessing healthcare and security of jobs and benefits.</p>	<p>£38,403</p>
