Hi [Redacted]

Many thanks for letting us quote for these works. Please find attached the fee proposal as discussed.

I have looked at potential costs for Stages 3-5 but would rather discuss these informally as there is a quite a variation depending on the scope of works, particularly around the possible Comms work.

We look forward to hearing from you on this.

Many thanks

Hi [Redacted], thanks for thinking of us!

We know what the new rates will be from 1 April so can include those, I will speak with [Redacted] and [Redacted] about preparing our proposal.

When do you need the quote by? I presume if we work on it this week and get back to you by Friday 17<sup>th</sup> at latest, does that work?

Thanks

Hi All

I have written a brief for services to develop a feasibility report and designs for school streets across the LB Barnet. Have previously discussed this with [REDACTED]. I will need to put this in the LB Ealing Framework template once we are happy with the quote provided but I think I need first a quote from you.

Please can you respond with your quote for providing this service and also let me know the Ealing Framework rates for PCL as I believe these rates could be due to change due to CPI.

Any queries just give me a shout.

Thanks
