### **R13 - Personal data**

We have also redacted the names of individuals by virtue of Regulation 13 of the Environmental Information regulations 2004, as disclosure of this information to the public generally, in the Council's view, would not be consistent with the data protection principle found in Article 5.1(a) of the General Data Protection Regulation (GDPR) lawfully, transparently and fairly. We have considered whether disclosure is lawful and fair and whilst it may be lawful under Article 6.1(f) GDPR (legitimate interests) it would not be fair to the individuals concerned who would not expect the names of junior employees to be disclosed as part of such a request.

We consider that regulation 13 (Personal information) applies to the information requested.

Therefore, we have decided to withhold the information.

### **Further information**

If you are interested in the data that the council holds you may wish to visit Open Barnet, the council's data portal. This brings together all our published datasets and other information of interest on one searchable database for anyone, anywhere to access. <http://open.barnet.gov.uk/>

### **Advice and Assistance : Direct Marketing**

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link [www.ico.org.uk](http://www.ico.org.uk)

**For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.**
