Thank you for your request received on 5 January 2026, for the following information:

As a business owner of 2 restaurants in Islington for over a decade, I am looking to expand my business to Colindale and as such would be grateful for a list of empty business premises. The list should include owner details if a limited company as this may be shared and not contravene GDPR; name and contact email / number, in order I might make enquiries and reach out to the property owners.

We have processed this request under the Freedom of Information Act 2000.

Further information

If you are interested in the data that the council holds you may wish to visit Open Barnet, the council's data portal. This brings together all our published datasets and other information of interest on one searchable database for anyone, anywhere to access. <http://open.barnet.gov.uk/>

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link www.ico.org.uk

For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.
