Thank you for your request received on 6 February 2026, for the following information:

I previously made a freedom of information request regarding communications with Barnet planning and our architect for our proposed building project (Ref. No: 23/2453/RCU) and was told there was no further communications.

However, the attached messages in PDF form have come to my attention which are between our architect and the planning department on 12th and 13th September 2022.

In the PDF not the entire message exchange is included (particularly the first time the architect contacted the planning department as the messages I have have a RE:).

Please could you send through to me the entire exchange from start to finish which relates to the exchange taking place in this email exchange.

We have processed this request under the Environmental Information Regulations 2004.

Advice and Assistance : Direct Marketing

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link www.ico.org.uk

For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.
