Thank you for your request received on 16 February 2026, for the following information:

Please provide a copy of the Smoke Control Order dated 1 September 1969, including the Order, any schedules, and any accompanying maps or plans. If held only in archive form, I would be happy to receive a scanned electronic copy.

If the Order was made by a predecessor authority, please confirm whether it is held by the Council or advise where it may be accessed. I would prefer to receive the information electronically.

We have processed this request under the Freedom of Information Act 2000.

Response

I am writing to inform you that we have searched our records and the information you requested is not held by London Borough of Barnet.

Barnet Council does not hold a copy of the Smoke Control Order dated 1 September 1969, nor any related documentation. Our records do not indicate that a Smoke Control Area was declared during this period.

Further information

If you are interested in the data that the council holds you may wish to visit Open Barnet, the council's data portal. This brings together all our published datasets and other information of interest on one searchable database for anyone, anywhere to access. <http://open.barnet.gov.uk/>

Advice and Assistance : Direct Marketing

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link www.ico.org.uk

For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.
