Thank you for your request received on 4 March 2026, for the following information:

Dear Sir or Madam,

I write to you under the provisions of the Freedom of Information Act 2000 to request information held by the Council in relation to planning applications submitted within your administrative area.

I would be grateful if you could provide a report or dataset (in Excel or CSV format if available) identifying planning applications received by the Council during the period from 1 January 2024 to the present date, limited specifically to the details of the appointed planning agent in each case. I understand that most modern planning management systems are capable of generating standard reports extracting agent information with relative ease, and I therefore hope the requested information can be retrieved without undue burden.

For each relevant application, I request the following information insofar as it is held and can be disclosed:

1. Planning agent email address (where recorded)

If the request in its current form would exceed the appropriate cost limit under Section 12 of the Act, I would be grateful if you could advise how the request may be refined so that the information can be provided within the statutory limits.

I look forward to your response within the statutory 20 working day period.

We have processed this request under the Environmental Information Regulations 2004.

Advice and Assistance : Direct Marketing

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link www.ico.org.uk

For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.

Your rights

If you are unhappy with the way your request for information has been handled, you can request a review within the next 40 working days by writing to the Information Management Team at: foi@barnet.gov.uk. Or by post to Records & Information Management Service, Assurance Group, London Borough of Barnet, 2 Bristol Avenue, Colindale, NW9 4EW

If, having exhausted our review procedure, you remain dissatisfied with the handling of your request or complaint, you will have a right to appeal to the Information Commissioner at: The Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF (telephone: 0303 123 1113; website www.ico.org.uk). There is no charge for making an appeal.
