Thank you for your request received on 17 May 2019, for the following information:

I booked the Wingate function room for the 20th of October for a joint 50th party.

I was informed that a meeting took place between Barnet Council representatives and Wingate & Finchley football club representatives on the 19th October 2018 at the Wingate and Finchley football club premises. I was advised that as a result of health and safety concerns raised during this meeting the function room at the premises was closed down.

Could you please confirm that this meeting took place and that the venue was indeed closed down on that date.

We have processed this request under the Environmental Information Regulations 2004.

Response

I am writing to inform you that we have searched our records and the information you requested is not held by London Borough of Barnet.

I can confirm that the Wingate & Finchley football club is not owned or run by the London Borough of Barnet. If the meeting was cancelled due to health & safety concerns, that was not an action taken by the Council's Building Services team. I have also checked with Licensing and Trading Standards and they confirm that they are not aware of this issue. It is therefore likely it was an action taken by the football club.

Advice and Assistance : Direct Marketing

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for

direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link www.ico.org.uk

For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.
