Response

The council holds the information requested and it is attached/ the answers to your questions are below

I would like to request an FOI to answer the following questions:

As this is an area of the urban road Montrose Avenue over which the public have habitual access the prohibition applies and the council is able to take action to prevent damage to the grassed area.

While most parking contraventions occur on the carriageway, the "footway parking" prohibition covers all parts of 'urban roads' other than the carriageway.

Advice and Assistance : Direct Marketing

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link www.ico.org.uk

For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.
