Our ref: 5359428

Thank you for your request received on 30 May 2019, for the following information:

Please would it be possible for you to send me a list of the names, addresses and licence numbers of animal boarding establishments (kennels and catteries) who hold licences issued in your area. Where you are providing additional information for more than one area (due to shared services) please advise which area(s) you are providing information for.

Where you hold additional information such as website address, email address or telephone please also provide this to me.

I would be grateful if you could indicate the expiry date and year for each licence, and if you could differentiate between commercial boarders and home boarders that would be very helpful.

I would also be grateful if you could provide information in Excel format wherever possible.

We have processed this request under the Environmental Information Regulations 2004.

Advice and Assistance : Direct Marketing

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link www.ico.org.uk

For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.
