- were there any prosecutions made as a result of the road traffic accidents
- how many drivers were reported as using mobile phones at the time of the road traffic accident

We have processed this request under the Freedom of Information Act 2000.

## **Response**

***Please provide me with the number of road traffic accidents on East End Road between East Finchley High Road and Regent's Park Road.***

There are 27 Personal Injury Collisions recorded on East End Road in the most recent three years data available to us (to 31 December 2018). This excludes the junctions at each end (i.e. with A1000 High Road and A598 Regents Park Road

***Please also provide the following details***

- ***how many people were involved,***

We do not know exactly how many people were involved, but there were 35 casualties and 21 other people (usually vehicle drivers) recorded in the data (see table below)

- ***what were the ages***

See table below

- ***what modes of transport were being used including pedestrians***

See table below

**- the time of day of the accident**

**- how severe the accidents were - notably if fatal or life changing**

For injuries categorised as serious we do not know whether these were life changing.

**- were there any prosecutions made as a result of the road traffic accidents**

This information is not available to us.

**- how many drivers were reported as using mobile phones at the time of the road traffic accident**

This information is not available to us, but none of the collisions record "Driver using mobile phone" as a contributory factor

In addition we have received information from the police about a recent child fatality that has been reported in the press. This involved a 3 year old pedestrian and a car. We do not know the ages of the driver or the child's escort. This occurred at 19:04 and we have no information to indicate that a mobile phone was being used.

### **Further information**

If you are interested in the data that the council holds you may wish to visit Open Barnet, the council's data portal. This brings together all our published datasets and other information of interest on one searchable database for anyone, anywhere to access. <http://open.barnet.gov.uk/>

### **Advice and Assistance : Direct Marketing**

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link [www.ico.org.uk](http://www.ico.org.uk)

**For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.**

### **Your rights**

If you are unhappy with the way your request for information has been handled, you can request a review within the next 40 working days by writing to the Information Management Team at: [foi@barnet.gov.uk](mailto:foi@barnet.gov.uk). Or by post to Information Management Team (FOI) The London Borough of Barnet, 2 Bristol Avenue, Colindale, NW9 4EW

If, having exhausted our review procedure, you remain dissatisfied with the handling of your request or complaint, you will have a right to appeal to the Information Commissioner at: The Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF (telephone: 0303 123 1113; website [www.ico.org.uk](http://www.ico.org.uk)). There is no charge for making an appeal.
