Our ref: 5402028

Thank you for your request received on 5 June 2019, for the following information:

Basically, someone, at some point, decide The Vale should not have a 5 tonne restriction 7 days a week but Somerton Road and other roads near there should have a seven day per week restriction. There must have been a decision taken by a person or a Committee. I am asking for a copy of any papers that resulted in the decision and I would like to know who made that decision.

We have processed this request under the Freedom of Information Act 2000.

Response

The council holds the information requested and it is attached.

Basically, someone, at some point, decide The Vale should not have a 5 tonne restriction 7 days a week but Somerton Road and other roads near there should have a seven day per week restriction. There must have been a decision taken by a person or a Committee. I am asking for a copy of any papers that resulted in the decision and I would like to know who made that decision.

Please find attached the decision report to introduce the experimental 5 tonne weekend restriction on The Vale dated 10/02/2016. This also refers to the 5 tonne restrictions that had been introduced in surrounding roads and the reason for this. (It refers to these as having been introduced in May 2016, although the date is clearly in error given that it is after the date of the report).

Also attached is a decision report dated 21/07/2017 for making the restrictions permanent.

Advice and Assistance : Direct Marketing

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link www.ico.org.uk

For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.
