Thank you for your request received on 30 July 2019, for the following information:

I found a lighting inventory of the London Borough of Barnet (<https://data.gov.uk/dataset/26991a85-284a-4b2e-8d84-3d1757baad79/street-lighting-inventory>), but unfortunately the data does not provide coordinates (GPS locations).

Using satellite data, we have recently observed that outdoor light emissions are growing worldwide. We are interested in better understanding what is driving the change in light emissions, in particular what the relative contribution from public and private lighting is and what effect lighting replacement (e.g. with LED) has.

In order to understand how the city night light environment is changing we are looking for partner cities that have installed LED lighting, lighting controls or are regularly dimming their streetlights since 2012. The important thing is that we know the total amount of installed lighting, the data we are interested in: GPS locations of public lamps (Geodata) with information about:

- * lamp type**
- * date of replacement (if replacement, e.g. with LED)**
- * light color (Kelvin)**
- * energy consumption per lamp**
- * light output per lamp**
- * lighting fixture/fitting type**
- *** ...

We have processed this request under the Environmental Information Regulations 2004.

Response

I am writing to inform you that we have searched our records and the information you requested is not held by London Borough of Barnet.

This would require a survey to be undertaken which would have a cost and it is not a requirement of the FOI Act to create new information.

If you are dissatisfied with the response in any way, there is a complaints process which can be found at **Annex A**.

Further information

If you are interested in the data that the council holds you may wish to visit Open Barnet, the council's data portal. This brings together all our published datasets and other information of interest on one searchable database for anyone, anywhere to access. <http://open.barnet.gov.uk/>

Advice and Assistance : Direct Marketing

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link www.ico.org.uk

For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.

Your rights

If you are unhappy with the way your request for information has been handled, you can request a review within the next 40 working days by writing to the Information Management Team at: foi@barnet.gov.uk. Or by post to Information Management Team (FOI) London Borough of Barnet, 2 Bristol Avenue, Colindale, NW9 4EW

If, having exhausted our review procedure, you remain dissatisfied with the handling of your request or complaint, you will have a right to appeal to the Information Commissioner at: The Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF (telephone: 0303 123 1113; website www.ico.org.uk). There is no charge for making an appeal.

Annex A – Making an appeal
