Response

The council holds the information requested and the answers to your questions are below

How many visits did the council carry out to properties to inspect the state of housing(either private rented, social housing or council housing) in the following financial years 2016/17, 2017/18, 2018/19 and 2019 to present.

16/17 = 2413

17/18 = 2713

18/19 = 2473

19/20 = 962 up to 2/8/19

Note: In respect to the private housing sector, the above figures include full inspections; part inspection; revisits; visits/inspections; programmed visits and Housing Inspections. Also includes number of HMO Licence application visits; revisits and licence condition visits. Separate record of tenure is not recorded.

**** From its visits, at how many properties did the council identify a category one hazard under the Housing Health and Safety Rating system in those years?***

16/17 = 403 Cat 1 hazards in 230 properties

17/18 = 320 Cat 1 hazards in 194 properties

18/19 = 355 Cat 1 hazards in 227 properties

19/20 = 58 Cat 1 hazards in 36 properties up to 2/8/19

**** From its visits, at how many properties did the council identify a category two hazard under the Housing Health and Safety Rating system in those years?***

16/17 = 349 Cat 2 hazards in 197 properties

17/18 = 391 Cat 2 hazards in 201 properties

18/19 = 330 Cat 2 hazards in 195 properties

19/20 = 142 Cat 2 hazards in 85 properties up to 2/8/19

Note: The above Cat 2 hazards figures have only been assessed where there has also been a Cat 1 identified, therefore, the final figure would be much greater than this, as when Cat 2's are found on their own they are not recorded separately.

**** How many improvement notices did the council serve to landlords in those years?***

16/17 = 16

17/18 = 3

18/19 = 2

19/20 = 0 up to 2/8/19

**** How many times did the council fine landlords for poor housing in those years?***

No of Fixed Penalty Notices served:

18/19 = 8

19/20 = 8 up to 2/8/19

**** How many times in those years did the council prosecute a landlord in the courts for poor housing conditions?***

16/17 = 10

17/18 = 1

18/19 = 6

Advice and Assistance : Direct Marketing

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link www.ico.org.uk

For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.
