Thank you for your request received on 10 July 2019, for the following information:

1. I would like to understand what planned highway works there are within the Barnet's planning for 2019. Your website for Network Recovery Plan has not been updated since 2018 and therefore this information is not being shared. Additionally, a recent letter to me detailing about planned programme of works said to me I can find out more at: www.barnet.gov.uk/plannedhighwayworks - this is not a valid or working page/webaddress.

2. I understand the Council using a rating/assessment system to accordingly allocate budget to resurfacing and road works in order of priority - this has been detailed to me in the past. I would like to request the scale/ratings and assessment information for: Goldsmith Avenue NW9 and Esmar Crescent NW9.

We have processed this request under the Environmental Information Regulations 2004.

Response

The council holds the information requested and the answers to your questions are below

The website is updated month on month with works that are going on. This is because whilst the programme should be pretty concrete at this point, it is (as always) subject to change. All planned works are in the Environment Committee report from March. Omitted since then is Central Square (footway) as it is private land. Rowley Lane was added to the carriageway resurfacing programme

The rest of the highways pages are currently in the process of being updated with the most up to date information regarding processes etc.

Advice and Assistance : Direct Marketing

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link www.ico.org.uk

For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.
