In terms of staffing costs the implementation of GDPR was handling in house and used current resource.

Advise that one officer (staffing costs, including on costs of £67,958) was seconded in 2017/2018 to project manage the action plan and led the implementation.

Whilst a great number of officers across the council undertook work in the lead up to GDPR this was subsumed in their usual role and therefore their time / cost spent solely on GDPR is not held.

The cost of the training elearning module was £2,000 excl VAT

Advice and Assistance : Direct Marketing

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link www.ico.org.uk

For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.
