Response

The council holds the information requested and the answers to your questions are below

Under the FOI Act please provide for the last 12 months:

- a list of the Public Space Protection Orders sought including the prohibitions requested and the areas covered and reasons for the request***

All Barnet PSPOs are online and the Delegated powers reports regarding the reason for their implementation can be found by searching 'Barnet Delegated Powers Report PSPO' report.

Copies of each order, the area and the conditions can be found using the link below:

<https://www.barnet.gov.uk/community/community-safety/public-spaces-protection-orders-pspos>

- a list of the Public Space Protection Orders made including the prohibitions made the areas covered and reasons for the prohibitions***

As above

- an analysis of infringements recorded and fines levied.***

- Breach of a PSPO can result in a Fixed Penalty Notices of £100; there have been 66 Fixed Penalty Notices issued for breach of a PSPO in Barnet.

At the present time the first PSPOs introduced in late 2018 are being reviewed and therefore at the present time the impact analysis is not complete however we can confirm;

Since the introduction of the first PSPO in Burnt Oak in October 2018 we have:

- Achieved a 60% reduction in London Ambulance Service calls for alcohol related incidents.
- Achieved a 40% reduction in ASB calls.
- Secured 5 Criminal Behaviour Orders for individual who have breached the PSPO
- Served 1 Community Protection Notice on a premise that served alcohol to the local street drinkers
- Revoked the license of 1 off license following court action

The PSPO has been effective in reducing, disrupting and deterring the anti-social behaviour, raising awareness amongst the local community, providing additional enforcement powers to officers and enabled a more co-ordinated targeted approach by the council and its partners in the areas covered by the PSPO.

Advice and Assistance : Direct Marketing

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link www.ico.org.uk

For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.
