The council holds the information requested and the answers to your questions are below:

1. *Is there a framework in place for the provision of Supported Living (or equivalent) for adults with Learning Disabilities Autism, Mental Health, Complex Needs, Forensic / Risk of Offending, etc?*

There is a framework agreement for Supported Living placements; Councils Accommodation Based Service framework has a list of approved care providers across 7 service types (Neighbourhood networks, Supported living - low/medium/high, Supported living for young adults transition, Specialist step-down support for people with mental health needs, Supported living - complex disabilities and health needs, Crash pad' for people with learning disabilities and/or autism, Sheltered Plus) The existing framework is contracted for 3 years with option to extend further 2 years starting from April 2017. The framework may reopen as need basis during the contracted term to increase provider capacity. Where framework is open/reopen to new entrance this will be advertised in Council's Procurement Portal.

Advice and Assistance : Direct Marketing

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link www.ico.org.uk

For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.
