## **Refusal Notice**

**R12(4) (b) the request for information is manifestly unreasonable**

Regulation 12(4)(b) of the Environmental Information Regulations 2004 provides an exception to the disclosure of information in situations where the request is manifestly unreasonable. This exception may be invoked where the request places a substantial and unreasonable cost or burden of dealing with it. Information. The purpose of the exception is to protect public authorities from exposure to a disproportionate burden or an unjustified level of distress, disruption or irritation, in handling information requests.

This is a qualified exception under EIR which means that consideration must also be given to whether in all the circumstances of the case the public interest favouring disclosure is greater than the public interest in maintaining the exemption. The public interest means what is in the best interests to the public.

#### Public interest test considerations

I have considered whether the public interest in maintaining the exception outweighs the public interest in disclosing the information requested. There are a number of public interest arguments that weigh in favour of disclosing the information you have sought:

- The general proposition of maximising openness to which the EIR and the Council aspire ;
- The benefits of ensuring transparent and accountable government

However, there are also public interest arguments against disclosure:

Each record would need to be accessed individually and data collated and this would take well in excess of 18 hours to complete

- It does not represent a cost effective use of the Council's resources.
- The diversion of resources that will be necessary in providing the information requested negatively impact on its ability to deliver its core functions

The Council considers that the public interest in withholding the requested information outweighs the public interest test in disclosure of the requested information.

#### Further information

If you are interested in the data that the council holds you may wish to visit Open Barnet, the council's data portal. This brings together all our published datasets and other information of interest on one searchable database for anyone, anywhere to access. <http://open.barnet.gov.uk/>

#### Advice and Assistance : Direct Marketing

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link [www.ico.org.uk](http://www.ico.org.uk)

**For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.**
