Response

The council holds the information requested and it is attached/ the answers to your questions are below

1) In the last 10 years how many enforcement action has been taken? of that how many has been for household 6 meter back extension.

1340 formal notices served. This is likely to be a slight underestimation of the true figure as database changes and reporting regimes have likely led to some under-reporting of the numbers in the early period. The figure does not include enforcement actions taken on an informal basis, ie problems resolved through negotiation without the need for a formal notice. The nature of each notice would only be known by examination of the facts of the case.

I have attached a list of Enforcement Notices served over the last 10 years. This gives the case reference and property address.

Information not held in format requested, need to review each case individually, click on the enforcement tab using the property address

A total of 4817 prior notification of domestic extension applications have been made to the council. Of these 1862 were approved. 2619 refused and 336 in hand,

withdrawn or invalid. The depth of the extensions will be known only on examination of each application

Advice and Assistance : Direct Marketing

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link www.ico.org.uk

For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.
