Response

W e are refusing your request under section 12 because we estimate that compliance with your request will exceed the "appropriate limit" under section 12. The appropriate limit is £450 which is equivalent to 18 hours at £25 per hour. The per hour figure is set by Regulations rather than actual salary paid to any officers handling requests. The appropriate limit includes the time it will take the council to discover if it holds the information requested, to locate it, extract it and collate it as well as putting it into any particular format requested by the requester.

Each on-street Penalty Charge Notice would have to be checked manually in order to asertain the registered keeper of the vehicle, the London Borough of Barnet do not keep a list of registered keeper details for vehicles registered to the Police, Fire, Ambulance, Coast Guard services, this was exceed the appropriate limit on the required information search.

Advice and Assistance : Direct Marketing

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this

purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link www.ico.org.uk

For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.
