Response

The council holds the information requested and it is attached/ the answers to your questions are below

Do you have a direct labour work force caring out reactive, planned and void works?

Do you currently have a material supply chain and if so can you let me know when the contract ends?

Barnet Homes have a contract with Mears, so the London Borough of Barnet do not have a direct labour force.

Housing services (including homelessness, allocations, housing repairs and so forth) are provided by Barnet Homes who are an Arm's Length Management Organisation (ALMO) who manage the council's housing stock and associated services on the council's behalf. They are a public authority under Freedom of Information Act 2000 and so you may make a FOI request to them. Their contact details are:

Advice and Assistance : Direct Marketing

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link www.ico.org.uk

For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.
