No specific budget was allocated and there were no specific costs that were incurred in 16/17, 17/18 18/19.

in 2018/19 £19k was spent on officer time; this was funded from government funding for Brexit preparations but I think to be out of scope as not budget, the grant was used for a Strategy Officer who supported coordination of information from across the council and partners to enable the council to understand and mitigate potential impacts.

There were other costs in staff time but that we don't hold information quantifying these as this was work undertaken by LB Barnet Officers in addition to their substantive duties.

We consider that the absolute exemption set out in Section 21 (Information accessible by other means) applies to the information requested because the information requested is already reasonably accessible elsewhere.

A report titled 'Brexit Preparedness', was presented to Policy and Resources Committee on 3rd October which provides the information you have requested. This can be accessed via the following link:
