Thank you for your request received on 6 December 2019, for the following information:

re: PFI lighting contract document schedule

With respect to the 2006 contract "relating to the provision and maintenance of street lighting and illuminated traffic signage pursuant to the Government's Private Finance Initiative"

please supply a copy of the complete document schedule(s) for the whole contract including also those associated with end of contract processes and record drawing production.

For reference, a "document schedule" is a basic listing of each document showing typically: title, reference number, revision and dates of issue for each item - a basic requirement of document control. It is anticipated that this information would be located in archives by now.

Note - this is a request for the document schedule(s) only, not for the actual documents and not for the drawing schedules (which are normally separately produced).

Kindly advise if this information cannot be simply transmitted in pdf format or if any of the above needs clarification.

We have processed this request under the Freedom of Information Act 2000.

Advice and Assistance : Direct Marketing

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link www.ico.org.uk

For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.
