Thank you for your request received on 14 October 2019, for the following information:

**What do you class as a medical emergency and are there any other medical circumstances that you would accept from a Blue badge holder?**

We have processed this request under the Freedom of Information Act 2000.

### **Response**

The council holds the information requested and the answers to your questions are below

***What do you class as a medical emergency and are there any other medical circumstances that you would accept from a Blue badge holder?***

There is no an exhaustive list of different medical emergency classes, where a member of the public states that they had a medical emergency at the time of the contravention i.e a life threatening situation or they were in labour, documentary evidence from a GP or Hospital would be required and assessed on a case by case basis.

Pre-existing medical condition may not be classed as a medical emergency nor collecting medication from a pharmacy.

Circumstances stated by a Blue Badge holder are treated in the same manner as those made from a non Blue Badge holder.

**Advice and Assistance : Direct Marketing**

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link [www.ico.org.uk](http://www.ico.org.uk)

**For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.**
