We cant really compare as in the last commissioned domestic abuse provision we did not commission the MARAC . The IRIS project was only commissioned since February 2018. The total value is £15,019 less but not inclusive of the MARAC and the IRIS. Therefore it is not a good representation of increase or decrease.

Q3) Does your local authority fund any domestic abuse services outside of a commissioning process? If so, please list them here:

Advice and Assistance : Direct Marketing

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link www.ico.org.uk

For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.
