Thank you for your request received on 2 December 2019, for the following information:

You say that you consider any PCN appeal that is based on Medical Mitigating Circumstances; on a case by case basis.

My question is this: Does the above apply equally to Parking Contraventions under the Traffic Management Act 2004 and Moving Traffic Contraventions under the London Local Authorities and Transport for London Act 2003; or is it only Parking Contraventions under the Traffic Management Act 2004?

We have processed this request under the Freedom of Information Act 2000.

- Penalty Charge Notice representations based on medical mitigating circumstances are considered on a case by case basis for both parking and moving traffic contraventions.

Advice and Assistance : Direct Marketing

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this

purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link www.ico.org.uk

For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.
