Response

The council holds the information requested and the answers to your questions are below.

I wish to know the following:

1. The commencement date of this work

The scheme to widen the footways on Chipping Barnet High St commenced with some preliminary investigatory works in June 19 to allow the design to be finalised and mitigate risks of delay to the main works due to the unforeseen. Main construction works commenced 16th September and were suspended on 1st December due to the Christmas moratorium on works over the Christmas period.

2. The cost of this project to date as at December 3rd 2019

Expended costs of the works to date £282,406

Advice and Assistance : Direct Marketing

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link www.ico.org.uk

For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.

If you are unhappy with the way your request for information has been handled, you can request a review within the next 40 working days by writing to the Information Management Team at: foi@barnet.gov.uk.
