Thank you for your request received on 22 December 2019, for the following information:

Dear London Borough of Barnet,

Councils across the UK have various powers to issue Penalty Charge Notices for parking, bus lane and moving traffic contraventions. There will be occasions where such a penalty is issued in relation to a police vehicle. There will be occasions where the police challenge the penalty via the statutory appeals process but the council does not accept the challenge, and the police force concerned eventually appeals the penalty to the tribunal. In such instances, the tribunal would send a copy of its decision to the council, which would then be information held by the council for FOI purposes.

With this in mind, I would like to request:

A) Copies of the last 10 tribunal decisions for parking PCNs where:

- 1) The appellant was a police force.
- 2) The council won the appeal.

B) Copies of the last 10 tribunal decisions for bus lane PCNs where:

- 1) The appellant was a police force.
- 2) The council won the appeal.

C) Copies of the last 10 tribunal decisions for moving traffic PCNs where:

- 1) The appellant was a police force.
- 2) The council won the appeal.

If the council does not issue one or more of the types of PCNs mentioned, that part of the request should be disregarded.

We have processed this request under the Freedom of Information Act 2000.

Response

I am writing to inform you that we have searched our records and the information you requested is not held by London Borough of Barnet.

No report exists containing the vehicle registration mark details in order to ascertain if the vehicle is registered to a UK Police force. No list of UK Police Force Fleet Services is held, stating where a vehicle may be registered, therefore no report can

be provided which would ascertain if a vehicle was registered to a UK Police Force and therefore an appealant in a London Tribunals Appeal hearing.

If you are dissatisfied with the response in any way, there is a complaints process which can be found at **Annex A**.

Further information

If you are interested in the data that the council holds you may wish to visit Open Barnet, the council's data portal. This brings together all our published datasets and other information of interest on one searchable database for anyone, anywhere to access. <http://open.barnet.gov.uk/>

Advice and Assistance : Direct Marketing

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link www.ico.org.uk

For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.
