Our ref: 5912832

Thank you for your request received on 30 December 2019, for the following information:

I would like to make an FOI request for voter data from the 12th December 2019 General Election. Specifically, I would like the following info:

- how many people were registered to vote by post in your constituency?
- how many postal votes were received?
- how many votes were marked as invalid?
- what was the result of the postal vote by party? If easier, just including the top 3 parties is fine.

We have processed this request under the Freedom of Information Act 2000.

Response

I am writing to inform you that we have searched our records and the information you requested is not held by London Borough of Barnet.

The Freedom of Information Act does not list any person appointed under the Representation of the People Act, 1983, which is the principle legislation governing elections and electoral registration. Therefore, the Electoral Registration Officer, Returning Officer or any other person appointed under the Act are not subject to the provisions of the Freedom of Information Act.

If you are dissatisfied with the response in any way, there is a complaints process which can be found at **Annex A**.

Further information

If you are interested in the data that the council holds you may wish to visit Open Barnet, the council's data portal. This brings together all our published datasets and other information of interest on one searchable database for anyone, anywhere to access. <http://open.barnet.gov.uk/>

Advice and Assistance : Direct Marketing

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this

purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link www.ico.org.uk

For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.
