Response

The council holds the information requested and the answers to your questions are below

There have been none on the council's regeneration estates in the relevant period (ie Dollis Valley, West Hendon, Grahame Park, Granville Road, Whitefields, Brent Cross).

Metropolitan Housing undertook this ballot on their housing estate which is on land owned by the Council.

The Upper and Lower Fosters Estate received a ballot exemption and so did not need to hold a ballot. This is an LBB regeneration scheme

One ballot was carried out at by Metropolitan Thames Valley in Westhorpe Gardens and Mills Grove Estate in October/November 2018. The council does not hold information about this but it is readily available online, for example here:

Advice and Assistance : Direct Marketing

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link www.ico.org.uk

For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.
