Dear Barnet Council,

- number of children who have had a managed move
- number of children who have had more than one managed move
- number of managed moves that were successful (i.e. where children remained in their school beyond the 12-week period)
- the reason why the managed moves were unsuccessful (if recorded)

We have processed this request under the Freedom of Information Act 2000.

Response

Please can you provide the following data in relation to managed moves in schools over the last two academic years (2018/19 and 2017/18 or equivalent ' please state where this is the case):

- *number of children who have had a managed move*
- *number of children who have had more than one managed move*
- *number of managed moves that were successful (i.e. where children remained in their school beyond the 12-week period)*
- *the reason why the managed moves were unsuccessful (if recorded)*

We do not hold this information. Managed Moves are arranged directly between school to school.

You will need to contact schools directly.

Please see the link below:

Schools (including academies) are considered under the Freedom of Information Act (FOIA) to be public authorities in their own rights, and are subject to the FOIA in the same way as the council (albeit with different timescales to meet). It is therefore correct that the council does not hold this information, and that individual schools would need to be contacted.

Further information

If you are interested in the data that the council holds you may wish to visit Open Barnet, the council's data portal. This brings together all our published datasets and other information of interest on one searchable database for anyone, anywhere to access. <http://open.barnet.gov.uk/>

Advice and Assistance : Direct Marketing

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link www.ico.org.uk

For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.
