Thank you for your request received on 3 February 2020, for the following information:

**It's Still Tobacco is a voluntary advocacy group that aims to raise awareness of waterpipe tobacco (shisha) health and policy issues in the United Kingdom. Each year we have been conducting surveillance of shisha cafes, that is, establishments that sell and allow the on-site consumption of shisha. We regularly publish this data on our website, itsstilltobacco.org (<http://itsstilltobacco.org>) .**

**In light of this we would like to ask you the following question:**

**Q. Can you please provide the current estimated number or range of shisha cafes known in your locality? Please reply "unknown" if this information is not held.**

We have processed this request under the Environmental Information Regulations 2004.

### **Advice and Assistance : Direct Marketing**

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to

prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link [www.ico.org.uk](http://www.ico.org.uk)

**For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.**
