Thank you for your request received on 30 January 2020, for the following information:

Traffic count data for Partingdale Lane

**Do you have any recent traffic count data for Partingdale Lane?**

**An application I am reviewing quotes 1250 a day from a 2013 Hendon Area Subject Committee document, but I find this very hard to believe in current times. I know the Lane used to be a cut-through and there was a lot of trouble, but since the 20mph limit and the installation of the alternating 'oncoming priority' bollards surely this must have dropped significantly?**

**Over say an 8 hour day (I know this doesn't allow for peak times and quiet times, but one has to make some assumptions ) 1250 vehicles is about 2 a minute. I was there on Tuesday 28th at about 11:45am and counted about 10 in 30 minutes!**

We have processed this request under the Environmental Information Regulations 2004.

## **Response**

The council holds the information requested and it is attached.

Please see attached traffic counts that relate to Partingdale Lane taken in 2014. These are the most recent held by the design team, but should post-date the work you refer to. That work provided a footway, priority working and a 20mph speed limit

that was extended in 2013. (The information contained in the 2013 report you refer to may also post-date most of this work).

### **Further information**

If you are interested in the data that the council holds you may wish to visit Open Barnet, the council's data portal. This brings together all our published datasets and other information of interest on one searchable database for anyone, anywhere to access. <http://open.barnet.gov.uk/>

### **Advice and Assistance : Direct Marketing**

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link [www.ico.org.uk](http://www.ico.org.uk)

**For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.**

### **Your rights**

If you are unhappy with the way your request for information has been handled, you can request a review within the next 40 working days by writing to the Information Management Team at: [foi@barnet.gov.uk](mailto:foi@barnet.gov.uk). Or by post to Information Management Team (FOI) London Borough of Barnet, 2 Bristol Avenue, Colindale, NW9 4EW

If, having exhausted our review procedure, you remain dissatisfied with the handling of your request or complaint, you will have a right to appeal to the Information Commissioner at: The Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF (telephone: 0303 123 1113; website [www.ico.org.uk](http://www.ico.org.uk)). There is no charge for making an appeal.
