Thank you for your request received on 23 January 2020, for the following information:

ENF/0157/19

May I ask you for an update on my case since your email from six weeks ago?

1- Did you manage to get in touch with the owner of the illegal installation to gently and promptly ask him to remove it?

2- If yes, what is the timeline? As per yesterday, the illegal installation was still up.

If not, did you as you mentioned prepare an enforcement report?

3-If yes, what is the timeline of the formal notice decided by you and your superiors?

If not, what is the reason for this delay in taking appropriate actions as you currently appear to be in clear breach of Barnet's statutory and administrative law obligations, as well as highly irregular behaviour

I require you provide those information to me, within the next twenty (20) working days, pursuant to the Freedom of Information Act 2000 and / or Barnet Council's administrative law obligations to provide reasons in relation to planning matters

We have processed this request under the Environmental Information Regulations 2004.

ENF/0157/19

May I ask you for an update on my case since your email from six weeks ago?

1- Did you manage to get in touch with the owner of the illegal installation to gently and promptly ask him to remove it?

The owners of the property have not been in contact with us.

2- If yes, what is the timeline? As per yesterday, the illegal installation was still up.

If not, did you as you mentioned prepare an enforcement report?

A report has been drafted to issue an enforcement notice.

3-If yes, what is the timeline of the formal notice decided by you and your superiors?

If not, what is the reason for this delay in taking appropriate actions as you currently appear to be in clear breach of Barnet's statutory and administrative law obligations, as well as highly irregular behaviour

I would expect this will be issued sometime next week.

Advice and Assistance : Direct Marketing

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link www.ico.org.uk

For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.
